- 12.6** If the Customer has not paid for the Goods by the due date specified in clause 13.1, without prejudice to any other right or remedy, Controlstore reserves the right to charge interest on any unpaid amounts from the date the amounts are due until the date the amounts are paid.
- 12.7** Interest on unpaid amounts accrues each day at a rate equal to the sum of the bank bill swap reference rate for 90 day bank bills published in the Australian Financial Review on, or as near as possible to, the due date and 2% per annum, and is capitalised (if not paid) every 7 days.
